# **ACCOUNTING TECHNICIAN**

(Madera County Title: Accounting Technician I)

#### **CLASSIFICATION DEFINITION**

Under limited supervision, the Accounting Technician performs the more difficult and technical sub-professional accounting work required in the maintenance of fiscal and statistical records; prepares and assists in the preparation of financial statements, documents, analyses, and reports; maintains accounting records, reports, and manual or computer based accounting systems; and performs related work as required.

The Accounting Technician is a single level specialized class with responsibility for maintaining a variety of complex departmental fiscal records, computer based accounting systems, or broad accounting functions. The Accounting Technician differs from the Account Clerk III in that the former requires sustained use of a high degree of independent judgment and interpretive ability. The Accounting Technician differs from the higher class of Accountant I in that the latter is the entry level into the professional accountant series, performing professional accounting work.
